

CERTIFICATION OF PUBLICATION

CITY OF BALTIMORE OFFICE OF BOARDS AND COMMISSIONS PUBLIC NOTICE

PROJECT #911 – ON-CALL PROCESS CONTROL AND SCADA SYSTEM ENGINEERING SERVICES

The City of Baltimore Office of Boards and Commissions has been requested by the Department of Public Works, Bureau of Water and Wastewater to certify the qualifications of Process Control Engineering Firms to perform ON-CALL Services for the Bureau. One (1) firm will be selected to perform Process Control Systems (PCS) and Supervisory Control and Data Acquisition (SCADA) services in Water and Wastewater facilities. The selected Consultant will work with PCS and SCADA operators to identify and resolve problems with the existing systems. In addition, the Consultant shall also retrain operators, upgrade Operators and Manuals, redesign existing graphics and reports, and upgrade the existing design Standards.

Consultants interested in pursuing this project must demonstrate the following:

- Experience in preparing design documents to integrate PCS, GIS, LIMS, MIMS and SCADA systems on a WAN.
- Experience in troubleshooting ABB's Distributed Control Units and associated display terminals.
- Experience in modifying existing control strategies, reports, databases and graphics created in PCS and SCADA application software.
- Experience preparing design for upgrading PCS and SCADA systems and training operators.
- Experience in troubleshooting and upgrading fiber optic data highways and radio communications between central control rooms and remote sites.
- Manpower availability and experience of key personnel assigned to the project.
- Minority and Women Business utilization.

The services would be for a two-year period. The estimated cost of these services is \$500,000.

Should you have any questions regarding the scope of project, please contact Mr. Gurminder Singh at 410-396-5385.

Firms interested in submitting a proposal for this Project shall address a “Letter of Interest” to the Office of Boards and Commissions, Room 634 Charles L. Benton, Jr. Building, 417 East Fayette Street, Baltimore, Maryland 21202 (FAX (410) 625-4667).

Each prime consultant applying for this Project will be required to complete and submit an original Federal Form 255, along with **five (5)** copies, to the Office of Boards and Commissions. The Federal Form 255 and the five copies must be submitted on or before 12:00 P.M. (Noon) on 1-24-2002. Submittals may not be accepted after this deadline.

All architectural, engineering, and surveying firms listed in the specific proposal for the Project must be prequalified by the Office of Boards and Commissions for each applicable discipline at time of submittal for this Project.

It is the policy of the City of Baltimore to promote equal business opportunity in the City’s contracting process. Pursuant to Article 5, Subtitle 28 of Baltimore City Code (2000 Edition) – Minority and Women’s Business Program, Minority Business Enterprise (MBE) and Women’s Business Enterprise (WBE) participation goals apply to this contract.

The MBE goal is 13%

The WBE goal is 4%

Both the proposed Minority and Women’s Business Enterprise firms must be named and identified as an MBE or WBE within Item 6 of the Standard Form (SF) 255 in the spaces provided for identifying outside key consultants/associates anticipated for utilization for this project.

Any submittals that do not include the proper MBE/WBE (in some instances DBE) participation will be disapproved for further consideration for this project.

Verifying Certification

Each firm submitting a SF 255 for consideration for a project is responsible for verifying that all MBEs and WBEs to be utilized on the project are certified by the Minority and Women’s Business Opportunity Office (MWBOO) prior to submitting the proposal. A directory of certified MBEs and WBEs is available from MWBOO. Since changes to the directory occur daily, firms submitting SF 255s should call MWBOO at (410) 396-4355 to verify certification, expiration dates and services that the MBE or WBE is certified to provide.

Non-Affiliation

A firm submitting a proposal may not use an MBE or WBE to meet a contract goal if:

1. The firm has a financial interest in the MBE or WBE
2. The firm has an interest in the ownership or control of the MBE or WBE
3. The firm is significantly involved in the operation of the MBE or WBE (Article 5 subtitle 28-41).

A firm submitting as a prime consultant that fails to comply with the requirements of Article 5, Subtitle 28 of Baltimore City Code when executing a contract is subject to the following penalties: suspension of a contract; withholding of funds; rescission of contract based on material breach; disqualification as a consultant from eligibility to provide services to the City for a period not to exceed 2 years; and payment for damages incurred by the City.

A resume for each person listed as key personnel and/or specialist, including those from MBE and WBE must be shown on the page provided within the application.

Out-of-State Corporations must identify their corporate resident agent within the application.

Firms will not be considered for a specific project if they apply as both a sub-consultant and prime consultant.

The applications for this Project (Form 255) cannot be supplemented with any additional information such as graphs, photographs, organizational chart, etc. Applications should simply be stapled in the upper left-hand corner. Cover sheets should not be included. Inclusion and/or submittal of additional material will result in the applicant being disqualified from consideration for this project.

Failure to follow directions of this advertisement or the application may cause disqualification of the submittal.
